

The undersigned, Diego García, has been taken two French courses with professor Benoît Cassagnau. The first one was taken between January and June 2014; the second one, between January and February 2018.

Mr. Casagnau has been also the style corrector of the French version of mi Ph.D. dissertation. It was defended before a Franco-Colombian jury, at Sorbonne University. The commentaries on the text style were laudatory.

I recommend Mr. Cassagnau job. He teaches the French language with effective methodology resources. The structure of his course —especially the lessons, topics and home works— is designed according to the specific needs of the student. I can thus certify, because of my own experience, the professional quality of professor Cassagnau.
