To whom it may concern,

Between January 2017 and February 2019, I took French lessons with Benoît Cassagnau. During this time, I prepared and presented the B2 certification exam, which I passed with satisfactory grades. Benoît is an excellent teacher, with solid technical skills and many years of experience. Additionally, he has the ability and willingness to adapt course material to his students' interests.

Please do not hesitate to contact me at helenagarcia@gmail.com if you require further information.

Regards,

A handwritten signature in cursive script that reads "Helena Garcia R".
